METLIFE CRITICAL ILLNESS INSURANCE (CII) IS A LIMITED BENEFIT GROUP INSURANCE POLICY. Like most group accident and health insurance policies, MetLife's CII policies contain certain exclusions, limitations and terms for keeping them in force. Product features and availability may vary by state. In most plans, there is a pre-existing condition exclusion. For individuals other than those covered under a New York certificate, after a covered condition occurs there is a benefit suspension period during which benefits will not be paid for a recurrence. Attained Age rates are based on 5-year age bands and will increase when a Covered Person reaches a new age band. A more detailed description of the benefits, limitations, and exclusions applicable can be found in the applicable Disclosure Statement or Outline of Coverage/Disclosure Document available at time of enrollment. For complete details of coverage and availability, please refer to the group policy form GPNP07-CI or GPNP09-CI or contact MetLife for more information.
